Re: Stanbro v. Palou, et al, 20 Civ. 1591 (KMK)

Dear Judge Karas:

This Office represents Defendant Leonardo in the above-referenced action. I write to respectfully request that the Court allow Defendants' objections to Plaintiff's proposed judgment filed on January 23, 2023 to be submitted on or before February 1, 2023.¹ I do not recall any deadline to object being set by the Court for objections, but have not yet received the transcript of the January 19 proceedings to confirm this. S.D.N.Y. Local Rule 77.1 provides for four days' notice of settlement. Preliminarily, there is a typographical error concerning the punitive damages award against Defendant Deal and it appears that Plaintiff's request for post-verdict pre-judgment interest is not allowed for Section 1983 claims, but would like more time to further research the issue as well as any other potential issues.

We thank the Court for its consideration.

Granted.

So Ordered.

1/25/23

Respectfully submitted,
Jeb Harben
